Suzanne- Thanks for your note and for watching KTAB TV. It's a good idea, but we can't really expand our program beyond Abilene. We feel all area citizens are benefiting from the reports as they learn what restaurants are supposed to be doing. If they see something amiss they are telling the restaurant operators. I know this for a fact because we do hear back from the restaurant folks complaining about our reports and how their customers are complaining to them about the cleanliness of their businesses.

Really enjoy your Food Tab segment. Would really like to know if you would come to Breckenridge. I've talked to the man at the health department and he just doesn't have time to cover all the food places in his area. Just thought if you could send a letter to all the restaurants in the KTAB viewing area and tell them you will be expanding your program to cover their area and then ask the State Health Inspector what town what he just finished....maybe we can get our restaurants and schools to clean up around here.

Thanks so much for your help...keep up the good work .

Clyde Fire Dept. expected all 25 of its members to attend storm spotter training and maybe a few extras. What they didn't count on was about 50 others to show up, most of whom had never been to a storm spotter training but was interested. And where did they hear about it? Most said KTAB best turnout the National Weather Service has had for their training so far this year.

Also, I told the group about our new bells and whistles they'll be seeing on our radar and some of the firemen are hopeful we can put the Stormtracker Doppler image on our web-site which they monitor anyway. So, they were excited we showed up. Doc from KR came about 7:05. KT was their usual no-show.

My wife and I would like to thank KTAB for the extra effort that you went through to televise the playoff games. We were able to attend the games, but a lot of folks could not. The level of involvement in community affairs is encouraging and refreshing. Please thank Randy Turner and the crew who did the remote setups. Being from Coleman we know what a neat person Randy is and his professional attitude will encourage Big Country Viewers to watch KTAB. Thanks again for all of the effort.

Dear Jackie,

On behalf of everyone who loves our Historic Paramount Theatre, I cannot thank you and your staff enough for the excellent promotional assistance KTXS provided as a sponsor for *A Tuna Christmas*. Over 2,000 people attended the show and I believe all of them thoroughly enjoyed it.

Working with David Caldwell is always a dream. Not only is he (and the entire staff) capable and talented, he is also pleasant and willing. In short, he is a gem and I commend you for being able to keep him all these years.

It is so comforting to know KTXS is committed to the well being of our community. Your leadership has been extraordinary and we all have benefited from your expertise. Thank you for sharing it with the Paramount. We are in your debt.

If we can be of service in the future, please do not hesitate to call me. Please extend our wishes to everyone there for a happy holiday.

Dear Jackie & KTXS,

The Boys & Girls Clubs of Abilene want to thank you for your support for our first annual United for Kids Tailgate Party. We served over 800 meals and are certain this is just the beginning of what will grow to become a recognized and substantial event. The tailgate party kindled community spirit as well as heightened the pre-game experience for the Abilene community.

The Boys & Girls Clubs serve over 2,000 of Abilene's most at-risk youth. Our afterschool, summer and teen programs provide vital youth development programs in a fun, supervised environment. Thank you for contributing to the youth of Abilene by supporting the United for Kids Tailgate Party.

Thanks again for your support!

Dear Renee`:

On behalf of the Abilene Chamber of Commerce staff and Board of Directors, we would like to take this opportunity to say "Thank You" for allowing Gisela Hughes to represent Clear Channel Radio and our community as a Redcoat Ambassador this past year.

We realize that some time is taken away from the Redcoat's responsibilities with your company; however, being a Redcoat allows someone from your organization to meet new business owners in our community and to participate as a Goodwill Ambassador for our city. It also lets the new business owners know that your Company plays a vital role in the development of our great city and community.

Once again, we appreciate and thank you for allowing Gisela to volunteer and to help show other businesses that we are a community committed to development and growth.

Sincerely,

Dear Lita and Gisela:

I can't begin to thank you enough for your support for our Tenth Anniversary Celebration. We sincerely appreciate all you have done on our behalf.

Your endorsements of our efforts means a lot to us. Around the clock, terminally ill patients rely on Hospice of the Big Country to maintain their quality of life in their final days. Friends like you help ensure that quality of life will be provided to every single one of these patients. Since 1992, over 1900 patients and their families have entrusted the HOBC team of compassionate, highly-trained professionals with their end-of-life care.

For the board of directors, staff - and most of all - our patients, thank you so very much for your support, and for helping us celebrate ten years of quality care to the residents of the Big Country. I really enjoyed working with you two.

Yours truly,

Jo Ann Wilson

Dear Renee,

My girl! I hope all is well in Abilene. I just wanted to say THANK YOU for all you do for it & kids! The 2003 KEAN/ St. Jude Radiothon was a huge hit and we couldn't have done it without you! Thank you, sales Manager, for getting a grand prize, a fantastic sponsor, and a great location! I had so much fun with you all at Henry's! Too bad it probably gained 5 pounds, but it was worth it! Your team at KEAN is incredible and I can honestly say the unity you all have is non-existent at other stations. Thanks also for getting it places for dinner - I loved everywhere we went, and I wish I could have another one of those potent swirl margaritas!

It is so fun working with you. Thank you for your friendship and laughter - you help keep my stress down and we always have a great time! Be good!

Love,

Naah
